

## BRIDGES PRESCHOOL STEPS TO ENROLLMENT

Thank you for your interest in the Bridges Preschool at The Therapy Place! Below are the steps to enrollment in the Bridges program. The Bridges staff carefully review each step in order to decide if Bridges can meet the needs of your child.

### 1. Complete Developmental Screen

The Developmental Screen is the first step if you are interested in Bridges! Your child is added to the Wait List the day we receive a completed developmental screen.

### 2. Parent Tour of Bridges Preschool

The tour usually takes around 30 minutes and is a time for you to see the program in action, as well as share what you are looking for in a school program. Your child does not need to attend the tour.

### 3. Child/Teacher Meet & Greet

The meet and greet allows Bridges staff to really learn your child. This includes playing with your child while asking about likes, dislikes, strengths, and your areas of concern.

### 4. Enrollment Decision

An enrollment team reviews all information collected from the previous 3 steps to determine if Bridges is a fit for your child's needs. Typically, you will receive the enrollment decision within 2 weeks.

### 5. \$100 Deposit

Should your child be admitted to the program, a non-refundable \$100 deposit is due within 14 days of acceptance to secure your child's place. This deposit is applied towards the first tuition payment.

### Financial Assistance Information

Financial assistance may be available to those with financial need. Apply online at [TADS.com](http://TADS.com). There is a \$45 non-refundable application fee charged by the site. Financial assistance application is separate from admittance to the program.
